

Fundraising Agreement – Mt. Kilimanjaro 2016

As part of your participation in the Mt. Kilimanjaro Expedition to Tanzania in June 2016, you are committing to raise enough money for one well (per household) - USD\$6,000 that will provide up to 500 vulnerable children and families with safe water. This is in addition to the costs for travel (flights, etc.) and outfitting (paid to Climb Kili). You can contribute this amount (\$6,000 or more) yourself or you can fundraise among your family, friends, and coworkers.

We have found including others in your fundraising commitment to be a very rewarding and community-building experience, and we encourage you to let others know what you're doing! Activewater will help you through the fundraising process and provide a personalized fundraising website where you can track online donations and send emails to supporters. We are also available to provide more ideas and support for fundraising along the way.

Ultimately, however, the commitment and responsibility is yours. This commitment helps us plan with confidence for the wells we will provide and ensure meaningful engagement from each participant in the expedition. You will be required to provide a credit or debit card, and it will be automatically charged the difference between the funds raised and \$6,000. (The final amount raised will be established on July 15, 2016, and the account charged, if necessary, shortly thereafter.) If you chose to participate in the additional activities and raised less than \$6,000, your account will be charged a fee for the activities (\$600 for Safari; \$800 for Safari & Marathon) *in addition to* the difference between the funds raised and \$6,000.

Until June 15, 2016, if you decide to withdraw from the expedition, you can do so without having the obligation to reach your fundraising commitment. The funds you have raised will still go directly to the mission and you can always join us again in the future.

Activewater requires expedition participants to confirm their spot with a \$100 non-refundable deposit. The \$100 deposit will be credited toward your fundraising goal on your website and it's a great way to show your supporters that you're personally invested in the cause. This is in addition to any deposits required for travel and outfitting (Climb Kili).

I, _____, understand I am committing to raise \$6,000 (per household), and by participating in the expedition I give Lifewater, Inc. permission to charge the account listed below the difference between what I am able to raise and \$6,000, in addition to any additional activity fees, any time after July 15, 2016. If participant is under 18, his/her parent must sign below.
